

NEWS RELEASE

Moukhtar Soalihu appointed as the new Managing Director of Intravenous Infusions PLC (IIPLC)

Intravenous Infusions PLC, a GAX-listed company is pleased to announce the appointment of Moukhtar Soalihu as the new Managing Director of the company.

The newly appointed Managing Director is a Chartered Accountant and a member of the Institute of Chartered Accountants, Ghana (ICAG). He holds a Master of Business Administration (MBA) in Finance from the Kwame Nkrumah University of Science and Technology (KNUST), Kumasi and a Bachelor of Commerce Degree from the University of Cape Coast. He has over fifteen (15) years of experience in Financial Management and Strategy in the pharmaceutical industry after four (4) years of Financial Management in the water sector industry.

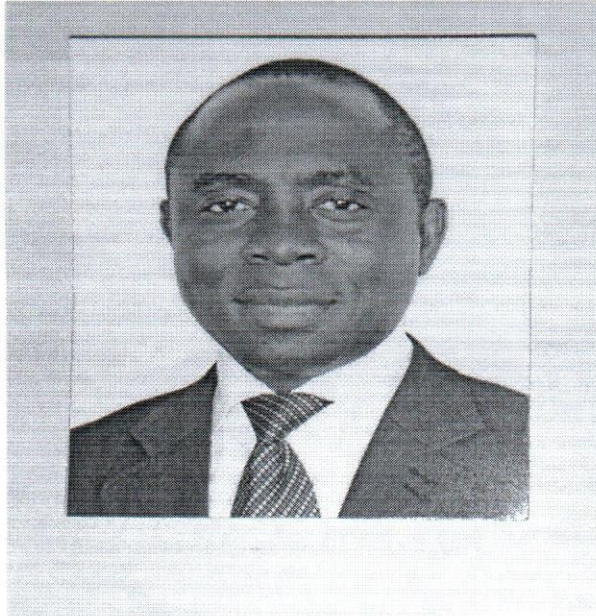

Before being appointed the Managing Director, Moukhtar rose through the ranks from a Finance Officer to the position of Head of Finance. He steered the company's turnaround strategy by leading and supervising the processes of the company's Initial Public Offer (IPO) leading to the successful listing of the company's shares on the Alternative Market of the Ghana Stock Exchange in 2015.

The company's need for additional funds was met when in 2018, he worked with the team of professionals to successfully raise equity funds for the company through Private Placement Offering. He also led the company's cost reduction strategies by developing new systems and controls that brought significant improvement in the company's overall profitability.

Moukhtar brings on board not only his experience in Finance and Accounting, but his understanding of the business model and strategy in the highly competitive pharmaceutical space.

NEWS RELEASE

Kenneth Adza-Awude appointed as the new General Manager (Technical and Operations) of Intravenous Infusions PLC (IIPLC)

Intravenous Infusions PLC, a GAX- listed company is pleased to announce the appointment of Kenneth Adza-Awude as the new General Manager in charge of Technical and Operations with effect from 1st September, 2020.

Kenneth is a Chemist with twenty-one (21) years' working experience in managing processes in the pharmaceutical industry.

Prior to this appointment, he was the Head of Quality Assurance at Intravenous Infusions PLC. He has held other responsible positions in the organization such as Quality Control Manager and Production Manager.

Kenneth holds an MPhil in Logistics and Supply Chain Management, as well as a Commonwealth Executive Masters in Business Administration (CEMBA), all from Kwame Nkrumah University of Science and Technology (KNUST). He also holds B.ED Science (Chemistry) from the University of Cape Coast. He is a member of the Ghana Institute of Directors (IoD) and Chartered Institute of Procurement and Supply (CIPS).

Kenneth will play a pivotal role during an exciting phase of development at the Koforidua-based listed company. Kenneth's excellent hands-on industrial chemistry and Good Manufacturing Practices will be invaluable as he partners the team to success.
