NOTES TO THE SUMMARY CONSOLIDATED AND SEPARATE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. Basis of Preparation

The summary consolidated and separate financial statements are prepared in accordance with the requirements of the Guide for Financial Publication for Banks and Bank of Ghana Licensed Financial Institutions and, in the form, and manner required by the Securities and Exchange Commission Regulations, 2003 as applicable to summary consolidated and separate financial statements. The Guide requires the summary consolidated and separate financial statements to be prepared in accordance with the framework concepts and the measurement and recognition requirements of IFRS Accounting Standards including the (IAS 29) Hyperinflation Directive issued by the Institute of Chartered Accountants, Ghana (ICAG).

The ICAG issued a directive in November 2023 to accountants in business and accountants in practice, together with an update during January 2024 in terms of which the ICAG concluded that based on its analysis and interpretation, IAS 29 will not be applicable for December 2024 financial reporting period since Ghana is not considered to be operating in a hyperinflationary economy. In this regard, the financial statements of the Group and Bank, including the corresponding figures for the comparative period have not been stated in terms of the measuring unit current at the end of the reporting period.

The accounting policies applied in the preparation of the consolidated and separate audited financial statements, from which the summary consolidated and separate financial statements were derived, are in accordance with IFRS Accounting Standards including the Hyperinflation Directive issued by the Institute of Chartered Accountants, Ghana and are consistent with the accounting policies applied in the preparation of the previous annual audited financial statements.

Restatement of Prior Year Financial Statements

During our periodic internal reviews, we identified and corrected booking issues related to non-performing loan balances written off in prior years. Necessary restatements have been done in compliance with IAS 8 (Accounting Policies, Changes in Accounting Estimates and Errors).

The annual audited financial statements were authorised for issue on the 28 March 2025
